THE WAY OF THE MASTER

(formerly titled Revival's Golden Key)

by Ray Comfort with Kirk Cameron

Although prayer is without question a great key to revival, this 236-page book is not about prayer. It's about a key that much of the Church doesn't even know exists. It was lost around the turn of the twentieth century (keys have a way of getting lost). All who truly yearn for revival and have a burden for the lost must rediscover this God-given key. This **softcover book** tells you how to do that.
